OE2C will strengthen the economic vitality of SMU and its academic mission through operational improvements and savings

**OE2C: Objective 1**
Identify opportunities to realign spending from administration to academic enterprise (grad stipends and high-performance computing)

**OE2C: Objective 2**
Sustain a high performance, financially strong organization with effective and engaged people

**SMU Centennial Strategic Plan**
1. Enhance the academic quality and stature of the University
2. Improve teaching and learning
3. Strengthen scholarly research and creative achievement
4. Support and sustain student development and quality of life
5. Broaden global perspectives

**Goal: Become a Top 50 university**
