Safe Conversations® | Relationships First™ is launching **Relationships First 360**, a free, full-day workshop for adults, kids and teens, that teaches relational competency in a whole new way.

Harville Hendrix, Ph.D. and Helen LaKelly Hunt, Ph.D. are the two visionaries behind this movement. They have authored three New York Times Best Sellers, and Dr. Hendrix has appeared 17 times on *Oprah* as the “marriage whisperer.”

You’ll learn the proven Safe Conversations® way of creating a deeper connection that produces life changing results at home, work, school and everywhere. Safe Conversations® is based upon the most advanced psychological therapies – as well as the latest neurological research to perfect and teach effective communication and the power of connection.

The event will be facilitated by Dr. Hunt and Dr. Hendrix, and will be streamed live to millions of people worldwide. A kid and teenage version of the relational methodology will even be available on Saturday, February 11 at the historic Women’s Museum in Fair Park. In addition, Relationships First™ leaders will host workshops concurrent with the live broadcast, making this the largest event of its kind in the world.
