This way up.

Explore our opportunities. Realize your potential.

The Arlington ISD offers an outstanding, well-rounded educational experience with award-winning academics and nationally recognized extracurricular programs. We are looking for dynamic, enthusiastic teachers who are eligible to teach in the state of Texas.

A career with AISD gives you:

- Competitive salaries, starting at \$52,500
- Mentoring program for new teachers
- Comprehensive benefits package
- Advanced degree and bilingual stipends
- Great location in the heart of DFW

District facts:

- 62,000 students currently enrolled
- The 11th-largest school district in Texas
- The AISD includes:
 - 55 elementary schools
 - 10 junior high schools
 - 7 high schools
 - A junior/senior high school for immigrant students
 - An alternative senior high school for at-risk and nontraditional students
 - One alternative school for discipline management

- More than 8,000 administrators, teachers and support staff
- The largest employer in Arlington and the third-largest in Tarrant County

AISD Department of Professional Learning:

- Dedicated to ensuring quality professional learning opportunities to support adult learners in effective strategies for student achievement
- Professional learning success depends on:
 - A commitment by all to a clear and focused vision
 - Effective leadership
 - A positive culture that promotes continuous improvement by all
 - An engaged community
